

The Hyde Park Art Center Presents:

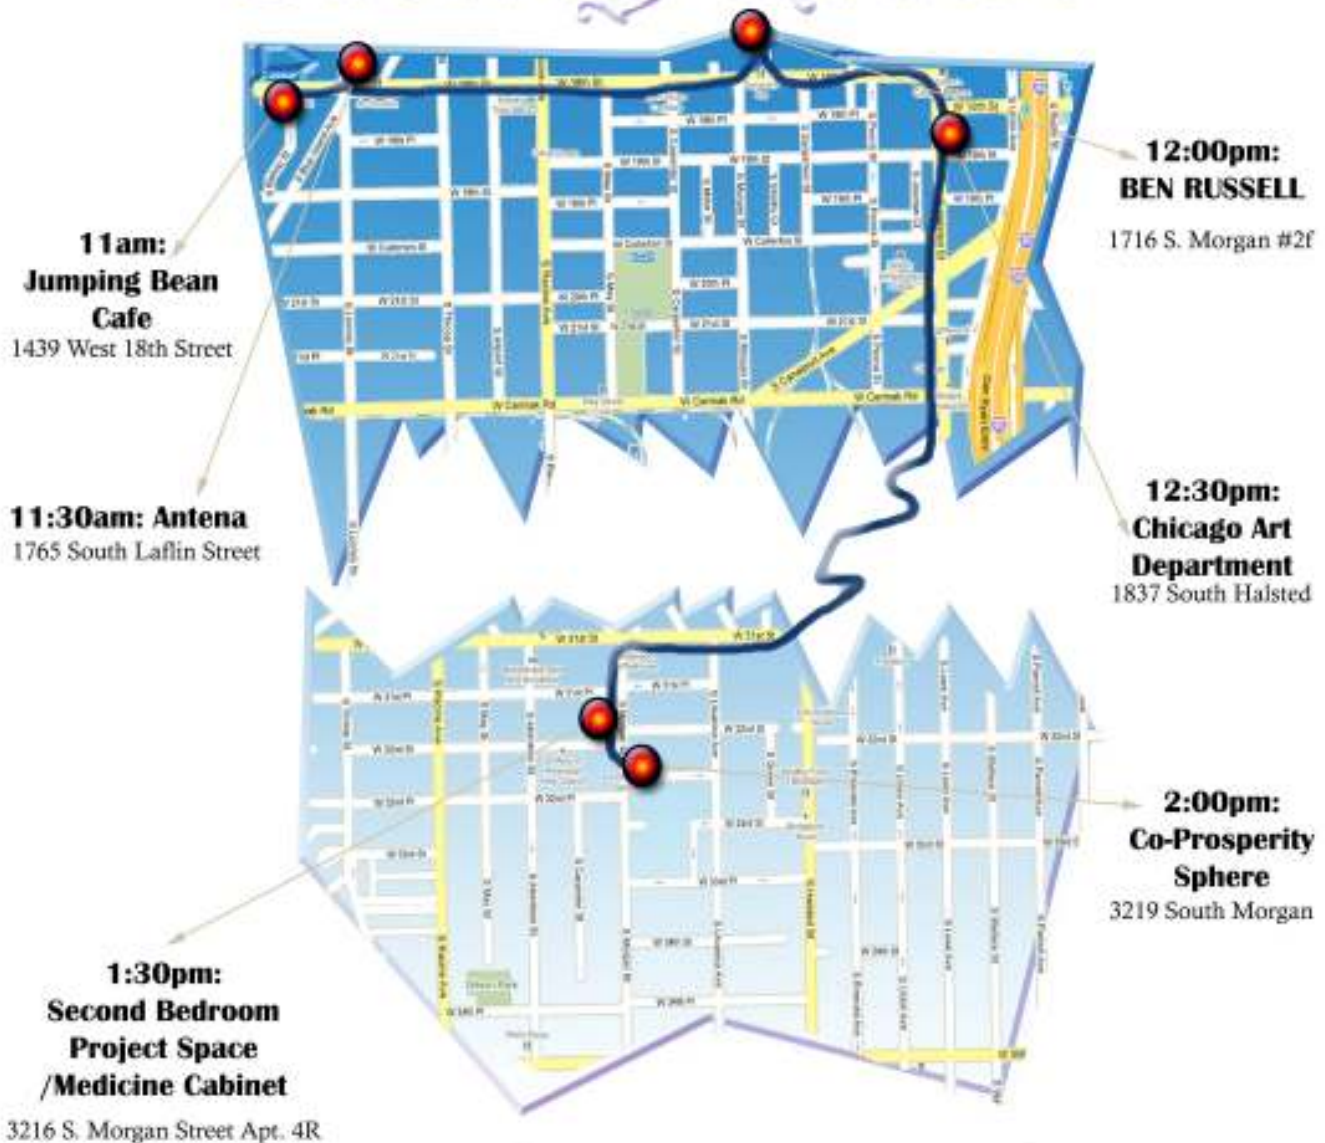

# Artists Run Chicago

An ongoing series of tours showcasing a selection of Chicago's apartment/alternative/underground/artist-run art spaces hosted by Jacob C Hammes and Ania Szremski from the Hyde Park Art Center. Meeting at 11am at the jumping Bean Cafe, guests are suggested to carpool or take the 18th Street and Halsted busses between locations on the map. At each location guests will see contemporary art exhibitions, and meet artists and gallerists that will talk and answer questions about DIY art spaces and the Chicago Art Community.
