

Sample Curriculum

Name of Class:

Intermediate Painting/Drawing

Media:

Painting and Drawing

Grade Levels/Ages:

Adults

Description:

Students have the option to work on more advanced still life compositions from observation or abstractly over the course of several weeks or work in their own direction from sketches, photos, collage, in their chosen medium such as oils, acrylics, pastels, ink, watercolor, gouache, charcoal or others. The instructor will help each student develop their work independently from each other's work. This class is ideal for students who have completed the beginning drawing and painting course or have a previous art background.

Materials:

Please come to class ready to work with your chosen supplies. Advice on supplies and mediums to purchase will be given along with demonstrations of materials and their use as we work on projects.

Week-by-Week Description:

Weekly advice will be given on individual projects. The last class will include a class critique of everyone's artwork.
