Professional Experience

“*Shelter in Place with Artist Mothers*” worked on a collection of stories and art by artist mothers in the pandemic.

Banner preparation and coordination for “Protest Banner Lending Library”

Center Program Coordinator, Hyde Park Art Center

- Assist Director of Education with administrative duties including processing applications, communicating with program participants and visitors, planning seminar meetings, setting up seminar space and gathering exhibition content for promotional purposes
- Serve as a key spokesperson and liaison to the Art Center and larger art community
- Put together exhibition catalog and exhibition related programming events

Teaching- Lectures and Workshops

- Guest Lecture SAIC- Curating expanded fields
- Educator for teen painting program at After School Matters
- Creativity workshops with elementary children at START Mumbai, Bell Academy and Wicker Park Garden community and Harold Washington Library.

Board Member, Chicago Public Art Group CPAG

CPAG unites artists and communities to create collaborative, community involved, public art

- Grow mentorship program by aligning lead artists with young volunteers and emerging artists
- Further community relationships, engage schools and park districts to commission public art
- Provide critique, design feedback, and guidance for ongoing projects
- Support fundraising and event sponsorship efforts

Lead Artist, Devon Streetscape design, Chicago Public Art Group CPAG

Streetscape design project, Devon Avenue, Chicago

- Studied cultural influences and corralled opinion within the community via workshops, collaborations, and charrettes to develop specific design forms for community identifiers
- Engaged stakeholders including Aldermen, Principals, Park Administrators, urban planners, Chicago Department of Transportation, city officials, and Community Leaders
